

Beepot Concrete Planter & Bee House

The **Beepot** is designed and made in the UK.

Materials

The Beepot is made in Cornwall from cast concrete. The manufacturer uses up to 75% waste materials from the Cornish China Clay industry in their concrete

Dimensions

225mm x 150mm x 152mm

Weight

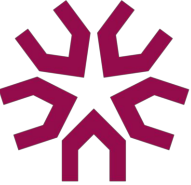

8 kg (unpackaged)

Positioning

The Beepot will be positioned in a warm sunny spot, south facing, with no vegetation in front of the holes, at least 0.5 metres from ground level.

Use

Beepot will be installed before the first beneficial use of the garden office and will be repaired/replaced should the pot become damaged
